 - The approval will be ratified by the MAHE Academic Council (AC)

8.4 Guidelines for Recognized Supervisors / Co-Supervisors

A recognized Supervisor can

- **NOT** have more than 8 Ph.D. scholars admitted at any given time
- **NOT** have more than 2 Ph.D. scholars admitted in the current academic year, as Supervisor
- Guide up to 2 International Ph.D scholars on a supernumerary basis, over and above the permitted number of Ph.D. scholars

A Recognized Co-Supervisor should have

- **NOT** more than 8 Ph.D. scholars admitted at any given time
- **NOT** more than 2 Ph.D. scholars should have been admitted in the current academic year, as Co-Supervisor

Note

The number of PhD scholars admitted will be considered for the above purpose, and **NOT** the number of PhD scholar who have completed the Institutional Protocol Approval Committee (IPAC) presentations.

In addition,

- The Supervisor and Co-supervisor(s) should **NOT** be closely related to each other, and to the PhD scholar
- The Supervisor / Co-Supervisor should **NOT** have completed 62 years of age at the time of admission of the PhD scholar.
- It is mandatory to have a co-supervisor if a supervisor who has completed 57 years of age and wishes to admit PhD scholar under him/her.
- At the time of resignation / transfer / superannuation, CDS may permit the supervisor to continue guiding already admitted students based on the progress made and on case to case basis. This requires recommendation from Head of the department and Institute.
- In case of absence of the supervisor for a prolonged period of time, CDS may appoint another supervisor who is qualified, with the recommendation of the Doctoral Advisory Committee (DAC)
- If **NO** new PhD scholar is admitted under a supervisor for a period of 5 years from the date of guideship approval or from the date of admission of a previous PhD scholar, guideship will be discontinued.

8.5 Obligations of the Supervisor and Co-Supervisor

The Supervisor & Co-Supervisor (if any) **MUST** guide and supervise the progress of the Ph.D. scholar through regular meetings with the PhD scholar and facilitate research at every stage of the programme.

- He / She is expected to

- Ensuring submission of course work details / progress report / synopsis and minutes of DAC meeting to PhD coordinator / Institution.
- Submission of the panel of 10 examiners with the approval of DAC to the Registrar (Evaluation) MAHE during the submission of thesis.
- Ensuring PhD scholar receives appropriate guidance / support if he / she is on leave/vacation.
- Assign primary guide to the PhD scholar in consultation with HOD / HOI / PhD coordinator, if on leave for > 6 months duration / resigning / superannuation / deputation.

9. Doctoral Advisory Committee (DAC)

On completion of the admission process, the Supervisor in consultation with the HOI and Institution Ph.D. coordinator will form a Doctoral Advisory Committee (DAC) for each Ph.D. scholar, within 1 month of joining and should consist of the following members

- Chairperson (HOI **OR** their representative)

- If the HOI is the supervisor, a university representative will be the chairperson.
- PhD Coordinator of the institution
- Head of the Department (HOD)
- Supervisor
- Co-Supervisor (desirable)
- Two Subject Experts (should have a Ph.D. / MD / MS / MDS / MCh / DM degree) related to the area of research, one of the subject experts MUST be from outside the institution/university.

Note

- For administrative purposes, PhD scholar (both full time and part-time) will be admitted in Guide / primary supervisor's institution
- DAC will be constituted in the Guide / primary supervisor's institution. It is suggested to have co-guide / subject expert from the PhD Scholar's institution.
- All the Ph.D. related documents to be processed and activities to be organised by the Guide / primary supervisor's institution

9.1 Expectations from DAC

The members of the DAC have to be proactive in enhancing the quality of the research work, publications and thesis through periodic evaluation.

- Specific functions
 - To review the research proposal and finalize the topic of research
 - To guide the Ph.D. scholar to develop the study design and methodology of research, and also identify the course work of study.
 - To periodically review and assist in the progress of the research work of the Ph.D. scholar.
 - A research scholar shall appear before the DAC once in 6 months to make a presentation of the progress for evaluation and further guidance.
 - Review and ascertain the conformity to requirements.
 - In case the progress of the research scholar is unsatisfactory, the DAC shall record the reasons for the same and suggest corrective measures.
 - If the research scholar fails to implement these corrective measures, the DAC may recommend to the University with specific reasons, for cancellation of the registration of the Ph.D. scholar.
 - To ensure that the PhD scholar has
 - developed sufficient breadth of knowledge through course work
 - developed ability to identify research problem
 - become expert in his area of research for independently performing research
 - established ability to write and present results
 - developed ability to write a grant proposal
 - developed skills to interact productively with people from diverse backgrounds
 - met journal and conference publication requirements as per MAHE policy from the PhD research work

10. Institutional Protocol Approval Committee (IPAC) presentation

All PhD scholars (full time and part time) are required to present their protocol to IPAC for approval in the first semester.

- IPAC presentations will be coordinated by the institute PhD coordinator(s) in the respective Institute / department in the sixth month after the registration, for the approval and confirmation of PhD protocol and title.
 - Dr. TMA Pai Scholars
 - In case of delay in the submission of protocol to institution for IPAC approval

 - Final Approved Protocol Soft copy with all sections on email (pdf) (**Annexure 25**)
- CDS will communicate IPAC approval confirmation to PhD scholar / guide / Coordinator / HOD / HOI within 15 days of complete document submission.

11. Progress Report Preparation for DAC Meeting

The progress report **MUST** contain the details of the work carried out in the previous six months

- PhD Scholar has to share the half-yearly progress report approved by the guide with DAC members on student portal of MAHE / or via email before the due date.
 - PhD Scholar will **NOT** be able to upload the report on student portal on or after the due date.
- The progress report (**Annexure 28**) should be explanatory in about 2000 - 2500 words.
- The DAC members will review progress report and provide comment / decision within 1 week of upload
- Once the report is accepted by at least 4 DAC members, the institution will schedule the meeting of DAC.
 - The PhD scholar has to present the progress of the research to the DAC on the scheduled date

12. Doctoral Advisory Committee (DAC) Presentations

12.1 DAC Scheduling

- Timely scheduling of DAC presentations as per the timeline mentioned in PhD scholar's registration letter is the responsibility of Guide and HODs (Larger institutions) / HOI (smaller institutions or university departments)
 - The subsequent DAC meeting / presentation date to be fixed in the DAC meeting itself with DAC members' consensus
- DAC meeting **MUST** be scheduled with one (01) week prior notice to all DAC members and half yearly report of the PhD scholar approved by the guide, **MUST** be shared with all members
- DAC will meet mandatorily Twice (02) a year to monitor the progress of research work of the PhD scholar
 - PhD scholar has to present the progress to the DAC once in 6 months. This presentation should happen irrespective of research progress made by the PhD scholar.
 - DAC presentations should **NOT** be combined
 - DAC presentations are applicable even during extension period

12.2 Preliminary DAC meetings

Preliminary DAC meeting which is conducted in the first semester within 2 months from the date of registration,

- DAC will ratify the course work and title/objectives of PhD research work suggested for the PhD scholar.
- In addition, DAC will review / suggest relevant regulatory / ethics committee approval requirement
- If the PhD scholar's progress in PhD research is **NOT** satisfactory, DAC may suggest for discontinuation
- The minutes of meeting should be recorded on DAC meeting template (**Annexure 23**) and filed in the institution

12.3 Interim DAC meetings

Interim DAC meeting to be conducted by the institution to review the progress of the PhD scholar, if the progress is not satisfactory as evidenced by delay in the submission of protocol to guide for review and approval and not meeting requirements listed in section 5.

- If the PhD scholar's progress in PhD research is **NOT** satisfactory, DAC may suggest for discontinuation. The minutes of the meeting should be recorded on DAC meeting template (**Annexure 23**) and filed in the institution.
- If the delay is due to challenges involved in the PhD research itself, DAC must critically review research question and objectives of the PhD study and suggest/recommend corrective measures for the risk/challenges identified after critically assessing the feasibility. This will ensure the timely completion of PhD.
- Interim DAC meeting is not applicable if PhD scholar submits the protocol to Institution for IPAC presentation as per the timeline mentioned in the Registration letter

12.4 DAC meetings after IPAC approval

PhD scholar should submit progress report to the guide and DAC members for review and approval 7 days prior to the DAC meeting.

- For full-time PhD scholars
 - Minimum 6 DACs must be conducted within the minimum duration of the course (3 years 6 months).
- For part-time scholars
 - Minimum 8 DACs are applicable within the minimum duration of the course (4 years 6 months).
- Pre-synopsis presentation should **NOT** be combined with DAC presentations.

- In DAC 1 meeting which is conducted at the end of Semester 2 and after IPAC approval, DAC will review the status of course work.
 - If there are any deficit credits / grades seen and if courses do **NOT** fulfil the course work guidelines, the DAC should ask the PhD scholar to take a repeat test to meet the criteria or complete courses as per the requirements.
 - If the PhD scholar's progress in the PhD research and course work is **NOT** satisfactory, DAC may recommend for the cancellation of registration.
 - The status of course work completion / deficit and the status of action taken to be documented in the DAC minutes of meeting.
 - The minutes of the meeting should be recorded on DAC meeting template (**Annexure 23**) and filed in the institution and copy should be sent to CDS within 10 days of meeting.
 - If there is a delay or a shortfall in course work, the DAC should make sure that it is resolved before the DAC 2 meeting.
- In DAC meetings, DAC may recommend for the cancellation of registration or withholding of scholarship if the progress is **NOT** satisfactory [if the progress is poor or very poor as per the grading rubric (**Annexure 29**)].
 - If PhD scholar's progress is not satisfactory,
 - Repeat (interim) DAC presentation should be conducted within 3 months.
 - Scholarship (if any) will be resumed only after DAC recommends for the continuation of scholarship.
- The DAC may suggest modification / reject the proposal / title / objectives / progress reports / synopsis / thesis.
- DAC must ensure that the PhD scholar has met publication and conference presentation requirements as per MAHE policy and they are from the PhD research work of the PhD scholar.
- In all DAC meetings, most importantly in DACs 1-3, DAC must critically analyze challenges encountered by the PhD scholar in completing objectives and suggest/recommend suitable modifications in research questions/objectives/methodology deemed necessary.
- DAC must ensure the timely completion of PhD by the scholar.

12.5 DAC Reports and DAC meeting minutes submission to CDS

- Following DAC meeting, PhD coordinator will send DAC approved half yearly report to CDS and one hard copy of DAC recommendation/meeting minutes to CDS within 10 days of DAC presentation.
