About MAHE

Manipal Academy of Higher Education (MAHE), located in Manipal, Karnataka, India, is a prestigious and renowned institution dedicated to providing top-notch education and research opportunities. Established in 1953, MAHE has consistently ranked among the leading universities in India and Asia. MAHE Bengaluru is carrying on the legacy as an off-campus centre of MAHE, Manipal and, thrives in providing holistic education to students with state-of-the-art infrastructure, well-qualified experienced faculty, and mentors.

The programmes offered at MAHE Off Campus Centre, Bengaluru are diverse and contemporary. With a commitment to producing well-rounded individuals who are prepared to excel in their respective fields, MAHE, Bengaluru continues to be a hub of academic and intellectual growth.

About MLS

The Manipal Law School, MAHE Bengaluru is approved by the Bar Council of India. MLS fosters a holistic academic environment enabling students to have an inclusive access to progressive, adaptive, and innovative legal education. MLS believes in producing lawyers who would excel in their profession and be humane with a strong sense of social justice.

MLS is the right destination for the harbingers of change and hence strives for a paradigm shift in the field of legal education with its thrust of the programs oriented towards the convergence of Law with Technology to meet the requirements of the globalized world. Technology and Law is the niche area of specialization which is unique to MLS. The multidimensional worldview, which is the need of the hour, the correlated studies and research within an interdisciplinary environment at MLS fosters a conducive platform leading to a wide-ranging scope of career prospects in the global Market.

MLS, MAHE Bengaluru Campus inheriting the legacy of its visionary, has positioned itself in the Silicon Valley of India, Bengaluru provides the fertile ground to the students and stakeholders ushering a deep dive into the realm of 21st-century technologies such as AI (Artificial Intelligence) and ICT (Information and Communication Technology) with its normative impact and implications, legal, regulatory, policy and social. MLS, Bengaluru Campus has the advantage of leveraging the geographical proximity of the campus in attracting the best of the talents and resources, thereby promoting student engagements with the global community of regulators, policymakers, civil society groups, and practitioners through multi-dimensional learning.

Prof. (Dr.) Avinash Dadhich

LLM (France), PhD (UK) &
IVLP Fellow (USA)

Director, Manipal Law School,
MAHE Bengaluru Campus

“In this digital day and age, we are designing courses which focus on the intersection of technology and law. At MLS, we are focused on reforming legal education and providing a holistic environment to our students for their development. Highlighting the interface with the industry, we are inculcating a strong understanding of technology in our students which will help them add value in their jobs and responsibilities in the future.”

LLM In Information Technology Laws (Regular Mode)

#Corporate placement focused program

About The Program

Testimonials of the students

I am immensely pleased with my experience pursuing an LLM degree at Manipal Law school, MAHE, BLR. The curriculum goes beyond traditional legal studies, delving into cutting-edge subjects. The blend of experienced instructors and mandatory 3-month internship ensure comprehensive learning.

Aniket Akshay
LLM in IT Law (Regular Mode)

As a student of LLM Information Technology Law at Manipal Law School, I am thrilled about the enriching experience the institute provides. The institute's strong focus on placements ensures that our education is not just theoretical but geared towards real-world success. It's inspiring to witness how the school is adapting to the evolving legal landscape, equipping us with skills crucial in today's dynamic professional environment.

Bhargob Bhattacharjee
